

KINGSLEIGH OVER 60S BINGO AND SOCIAL CLUB

Kingsleigh Over 60s Bingo and Social club is a very successful group, with around 80 regular members. However, some of the group are becoming hard of hearing, and sometimes struggle to hear the numbers being called out.

The group contacted the Ambition for Ageing team, asking for help. After submitting a successful application, they were awarded funds to purchase a speaker system, amp, stands and a microphone.

FULL HOUSE!

By using the new equipment, all of the members of the group can hear the numbers being called clearly and look forward to their weekly game of Bingo!
